Fees listed above are for connections made by the Town of Roseboro Public Works Department. If additional contract service work is required, fees will be determined on an individual basis including contractor quote. Additional services may include, but are not limited to, under road boring, asphalt, etc.

Customers will be required to pay the Tap Fees in advance of the work being performed.

Any new customer must apply for water and/or sewer service, be of legal age, provide all requested information on the application, and pay a \$250.00 deposit, (\$100.00 for property owners). This deposit is required prior to any monthly utility service.

An application for service can be found on our web site under Departments>Admin>Utilities (<https://www.roseboronc.com/utilities>) or can be picked up and returned to Town Hall.
