## Mission Statement

The Mission of the Roseboro Fire Department is to maintain a sustainable fire department that provides excellent value and service to the citizens of the Town of Roseboro and Coharie Fire District.

---

The Roseboro Fire Department is committed to providing the most effective and efficient fire service to this community. Just as our mission statement reads, we want to provide excellent value and service to the citizens of the Town of Roseboro and the Coharie Fire District.

We have been serving this community since 1936 and we continue to make changes and improvements to our service. We could never have made these changes without the support of local governments and you the citizens. It is imperative that the organization works closely with the entire community in order to insure the needs of the community are met.

The department relies on volunteers who are interested in serving the community. If you are interested in serving as a volunteer, contact the fire department or [fire.chief \[at\] roseboronc.com](mailto:fire.chief@roseboronc.com) (email).

If you have questions, please refer to the “frequently asked questions”. Please don’t hesitate to call if we can be of service.

**Roseboro Fire Chief Kenneth Lee Coleman, Jr.**
